Education

2008 - 2011 **Kantzowska Gymnasium, Natural Science**

2011 - **Uppsala Universitet, Engineering Physics (Bachelor & Masters)** I majored in computational science and programming. My master thesis involved Deep Learning and it's application in medicinal image-analysis. My degree is complete save for a couple of re-exams.

2014 **University of Tasmania** Studied painting under Dr. Yvette Watt

Language

Fully fluent in Swedish and English
